

Dear Judiciary Committee,

When will it end?

More gun laws?

We have had enough.

Enforce the current laws that are already on the books.

Stop trying to force new and foolhardy gun laws upon the law abiding gun owners here in our once great state of Connecticut.

Try convicting those guilty of state and federal gun laws instead of letting them walk.

I oppose S.B. 16

I oppose H.B. 5416

I support Raised S.B. 388

I support Raised H.B. 5415

I support Raised H.B. 5412

Disappointed and disgusted in Connecticut,
